Sophie was a really great TA. She was always available to help and gave detailed feedback on every assignment.

Sophie was a wonderful TF! She is approachable, available, very knowledgeable, and super kind. Asking her for help was really easy, and I always appreciated her timely responses and thoughtful answers.

Sophie was a fantastic TA – she was extremely nice, helpful, and good at explaining things. She ran section well and was always supportive, including answering lots of my questions on the final project.

Sophie was excellent! Incredibly helpful and always available for advise and guidance, particularly for questions about homework's and our final projects.

Sophie is an absolutely wonderful TF. She is so kind, patient, knowledgeable, and generous with her time. She went far beyond the duties of her role to help me and other students throughout the semester, especially during the final project. She was always quick to respond to emails, made herself far too available outside of office hours, was a master trouble—shooter, and always followed up if she didn't have an answer right away. Most of all, her kindness and approachability made all the difference to me. She made it seem like every question was reasonable and important, even when it meant she had to spend far too much time explaining a simple concept. And she ALWAYS had a smile on. I would not have survived this class without her. So so so thankful for Sophie!!!!
